

## FOOD TRUCK FIESTA

---

AND BBQ

---

We love using the food truck and smoker and our new wood fired char grill – its our passion.

Food is served from our cute caravan both directly to guests and to delicious buffet displays. This makes for a celebration with fabulous, unpretentious food and unlimited access so your guests definitely don't go hungry.

We normally serve over a 2 hour period. Guests with specific dietary needs can be catered for on an individual basis.
